**CHAPTER 560-10-21
MOTOR VEHICLE CERTIFICATE OF TITLE FORMS**

560-10-21-0.24-.12 Affidavit for the Cancellation of Certificate of Title for Scrap/Derelict Vehicles.

(1) The following form is adopted by the Commissioner as the form issued by the Motor Vehicle Division:

(a) Cancellation of Certificate of Title for Scrap/Derelict Vehicles.

(2) The Cancellation of Certificate of Title for Scrap/Derelict Vehicles form is used to transfer a vehicle to a licensed motor vehicle parts dealer or scrap metal processor, when the owner does not have a Georgia certificate of title or the Georgia certificate of title is lost.

(3) The form is submitted to the Department by the licensed motor vehicle parts dealer or scrap metal processor to request cancellation of the Georgia certificate of title and registration for the vehicle transferred by an owner that does not have a Georgia certificate of title for which the Georgia certificate of title has been lost.

(4) Authorized signature shall be the owner. If other than a natural person, the owner shall provide the full legal name of the firm, partnership (general or LLP), association, corporation (including a LLC), or trust. The owner of the legal entity shall provide documentation proving the existence of the legal entity. In addition, the owner shall provide proof of his or her authority to sign on behalf of and represent the legal entity. A sole proprietorship is not a legal entity; therefore the title issuance requirements for a natural person shall apply.

Authority: O.C.G.A. § 40-3-3.
